

IHE Education WG IHE Certified Professionals (ICP)

Stefan Sauermann, FH Technikum Wien
Mitgliederversammlung 17.6.2015

- **2010: IHE Austria starts to think about „Education“**
 - The users want it:
 - „Who can really do what“
 - Lengthy discussions
 - who should train,
 - should there be certification
 - If we do this in Austria, will there be anybody else interested?
 - International contacts
 - UK, Australia, Germany, ...
- **2013: We must go international!!**
 - And here we are.
-

- Started formally in 5.11.2014
 - Within IHE Global Deployment Committee
 - GDC Wiki
 - After discussing thoroughly
- Workspace:
 - wiki.ihe.net
 - Using conference calls, google docs, ...

- Assessment comes first
 - Have clear skills profiles
 - Individuals can prove what they know
- Training then will follow
 - There may be „accredited trainers“
 - Future discussion

- ICP Foundation Level
 - Wiki
 - Developed, had review cycles, stable
 - General purpose, „beginners“ reach even level
 - many ICPs expected

- ICP Document Sharing
 - Wiki
 - Early draft
 - High level skills,
 - Small number of ICPs expected

- Work is in progress
 - See Wiki
 - Defines roles
 - Cost, fees
 - Uses experience from DICOM, HL7, ...

- Current goal: Find exam providers
 - Contacts have started
 - Aim is to be stable in November 2015

- Trial exam at USA CAT 2016
 - Have IHE volunteers do the exam
 - Limit to ICP Foundation Level
 - Collect feedback
 - Provide the certificate at reduced fee??
 - Repeat at CAT Europe?
- Then further develop and grow
 - More regions
 - More ICP profiles
 - ...
 - Lets not overdo it.
